ALL BOXES BINGO INSTRUCTIONS:

You can only ask one question before you have to move on to the next person, whether they can provide an answer or not

- 1. For any box to count, you must be able to retell a person's story explaining why they answered yes (the real point of this game is to share stories!)**
- 2. Collect as many stories as you can in _____ minutes. You will be informed when to return to your seats**
